Case No. WO-2007-0410

STATUS REPORT

COMES NOW the Staff of the Missouri Public Service Commission ("Staff"), by and through counsel, as directed by the Commission's *Order Directing Staff to File Monthly Status Reports*, and submits the following report:

This report covers the period of October 1, 2007 to October 31, 2007 and serves as the "monthly status report" for that period. Staff will continue to file these reports on or around the last working day of each month unless directed to do otherwise.

The Black Oak Mountain Resort Property Owners Association (Association) believes that title to the utility property is clear, although the property is subject to a lease between the utility and Stone County.

There is no substantial news to report this period, except to say that the Association is continuing to work on obtaining liability insurance for the utility board, and drafting proposed utility operating by-laws. Progress has been made on these details during this reporting period, but the work is not yet finalized.

WHEREFORE, Staff submits this Status Report for the Commission's information.

Respectfully Submitted,

/s/ **Keith R. Krueger**
