Case No. TA-2007-0448

ORDER REJECTING APPLICATION
AND CLOSING CASE

Issue Date: May 29, 2007

Effective Date: May 29, 2007

On May 25, 2007, the president and owner of Global Connection, Inc. of America filed an application as described in the above caption. Under Commission rule 4 CSR 240-2.010(13) "pleadings" are defined as "any application . . . filed in a case." Because the application is defined as a pleading, it must be filed in compliance with Commission rule 4 CSR 240-2.080(1), which requires that pleadings be signed by a licensed attorney or, if appearing on behalf of themselves, a non-attorney. It is evident that the president/owner of Global has filed this application on behalf of the corporation. Thus, for purposes of this application, the company must be represented by an attorney.

Because it does not comply with the Commission rules, the Commission must reject this application. Further, the Commission will close this case. If it wishes to do so, Global may file another application through an attorney in accordance with the Commission's procedural rules.

IT IS ORDERED THAT:

1. The application for designation as an eligible telecommunications carrier pursuant to 214(e)(2) of the Telecommunications Act of 1934 filed by Global Connection, Inc. of America is rejected.
2. This order shall become effective on May 29, 2007.
3. This case may be closed on May 30, 2007.
