Use Your Existing

Phone & Home Wiring

Mediacom phone uses all of your existing home phone equipment, jacks, outlets and in-home wiring.

All you pay is your monthly fee and any mandatory local, state and federal taxes and applicable fees. No more confusing extras like subscriber line fees that can add up to \$6.50 or more each month to your bill. The only other charges that will appear on your bill are for the optional features you select like International and collect calls.

Satisfaction Guaranteed

Mediacom is in your community, so you can depend upon 24/7 customer care. And like our cable and Internet services, Mediacom phone comes with a

Mediacom provides the phone modem, which connects to any one of your phone outlets or jacks, activating every phone on that line.

Coverage Legend

Coverage last updated on: March 31, 2007. Map depicts an approximation of coverage.

Important Information About the Coverage Map

Map may include areas served by unaffiliated carriers, and may depict their licensed area rather than an approximation of the coverage there. Actual coverage area may differ substantially from map graphics, and coverage may be affected by such things as terrain, weather, foliage, buildings and other construction, signal strength, customer equipment and other factors. Cingular does not guarantee coverage. Charges will be based on the location of the site receiving and transmitting the call, not the location of the subscriber.
