Re: Hypercube's Telecom, LLC Access Services Tariff
File No. TA-2012-0048; Tracking No. YC-2012-0059

Dear Mr. Reed:

AT&T Communications of the Southwest, Inc. and Southwestern Bell Telephone Company, d/b/a AT&T Missouri ("AT&T"), wishes to advise that business to business discussions between the parties have successfully concluded.

Accordingly, AT&T, through this letter, withdraws its Motion, filed September 29, 2011, to Suspend and Investigate Hypercube's Telecom, LLC's ("Hypercube's") proposed tariff intrastate switched access tariff. AT&T has no objection to Hypercube's revised definition of "end user," which it filed last week. And since Hypercube's service at this point is limited to providing tandem switching, AT&T does not presently have a concern with the constructive ordering language.

Thank you for your attention to this matter. Please call me with any questions or if anything further is needed.

Very truly yours,
