

BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI

In the Matter of the Cancellation of the Certificate)
of Service Authority and Accompanying Tariff of) **Case No. TD-2005-0327**
United Communications HUB, Inc.)

ORDER CANCELING INTEREXCHANGE CERTIFICATE
AND CANCELING TARIFF

This order cancels the certificates of service authority to provide intrastate interexchange telecommunications services granted to United Communications Hub, Inc., along with its accompanying tariff.

On March 28, 2005, the Staff of the Missouri Public Service Commission filed its motion to open a case and cancel United's certificate of service authority. Staff stated that the Commission granted United a certificate of service authority to provide intrastate interexchange telecommunications services in Case No. TA-2000-499. The Commission also approved United's tariff, Missouri P.S.C. Tariff No. 1, in that same order.

Staff reported that United requested in a letter dated, July 8, 2004, and received by the Commission on July 20, 2004, that its certificate be canceled. The letter was signed by Lorene M. Koen, Director Regulatory, for the company. The Commission also received a similar request by letter dated January 13, 2004.

Staff noted that United has no Missouri customers and is not delinquent in filing any annual reports or paying its assessment fees. Staff, therefore, recommends that United certificate and accompanying tariff be canceled.

The Commission has the authority to cancel a telecommunications corporation certificate under Section 392.410.5, which states, "Any certificate of service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected." Since no one has requested a hearing in this case, the Commission may grant the relief requested based on the application.

The Commission has reviewed the motion and finds that it is reasonable to cancel United's certificates. In addition, the Commission finds that it would be in the public interest to cancel the tariff of the company. Therefore, the certificates of service authority granted to United in Case No. TA-2000-499, along with its accompanying tariff, will be canceled.

IT IS THEREFORE ORDERED:

1. That the certificates of service authority granted in Case No. TA-2000-499 to United Communications Hub, Inc., along with its accompanying tariff, Missouri P.S.C. Tariff No. 1, is canceled.
2. That this order will become effective on May 9, 2005.
3. That this case may be closed on May 10, 2005.
