ORDER CLOSING CASE

Issue Date: July 19, 2007

Effective Date: July 19, 2007

On May 24, 2007, the Staff of the Missouri Public Service Commission filed a Motion to Cancel Certificates of Service Authority and Tariff of Kataman Communications, L.L.C. The company requested cancellation of its certificate.

By order dated July 9, 2007 and effective July 19, 2007, the Commission cancelled Kataman's certificate and tariff. A copy of both Staff's May 24 Motion and the Commission's July 9 Order were mailed to the Company's legal department as well as the Registered Agent at the address provided by the Secretary of State's website.

On July 16, 2007, a "Return of Service of Process" was filed in this case. The Corporation Service Company, the ultimate recipient of the document sent to the address of the registered agent, informed the Commission they could not receive the service because they were not the registered agent. In Staff's response, also filed on July 16, Staff attached a copy of the Secretary of State's website indicating the address of Kataman's Registered Agent was the same address provided to the Commission.

Because it appears Kataman failed to maintain a Registered Agent, the Data Center shall serve a copy of this Order, as well as the Commission's July 9, 2007 Order Canceling Certificates and Tariff, on the Secretary of State pursuant to Section 347.033, RSMo 2000, which states, in part, "[i]n the event that a limited liability company shall fail to appoint or maintain a registered agent in this state...then the secretary, as long as such default exists, shall be automatically appointed as an agent of such limited liability company..."

As nothing remains for the Commission to determine, this case shall be closed.

IT IS ORDERED THAT:

1. The Data Center shall mail this order, as well as a copy of the Commission's July 9, 2007 Order Canceling Certificates and Tariff, to the Secretary of State as the Registered Agent for Kataman Communications, L.L.C.
2. This case shall be closed on the effective date of this order.
3. This order shall become effective on July 19, 2007.
