Issue Date: March 29, 2022

Effective Date: March 29, 2022

On March 8, 2022, S. K. & M. Water and Sewer Company initiated staff assisted rate cases with the Commission, requesting an increase of \$4,000 in its annual water system operating revenues and \$8,000 in its annual sewer system operating revenues.¹

On March 22, 2022, Commission's Staff (on behalf of the Office of the Public Counsel) submitted a joint list of proposed locations, dates, and times for a local public hearing.² In the filing, Staff and OPC state that a virtual public hearing would be the best option for these two cases. The Commission will set the local public hearing based on the proposed suggestions.

THE COMMISSION ORDERS THAT:

1. A public hearing is scheduled to begin at **6:00 p.m.** on **April 21, 2022**, via the internet-based video and teleconferencing service, Cisco WebEx. The public hearing will begin with a question-and-answer session and formal public comments to the Commission will begin immediately following the conclusion of the question-and-answer session.

¹ Assigned File No. SR-2022-0239 for the sewer case; File No. WR-2022-0240 for the water case.

² In its filing, Staff stated that they were "in communication with SK&M, but SK&M has not yet agreed or objected to the dates proposed"

2. No later than ten days before the local public hearing, S. K. & M. Water and Sewer Company shall provide notice of the public hearing to each of its customers, and shall file a status report with the Commission detailing the notice, and how and when it was delivered.

3. The Commission's Public Policy and Outreach Department shall make an informal presentation and conduct a question-and-answer session for the public at the beginning of the local public hearing.

4. S. K. & M. Water and Sewer Company, Staff, and the Office of the Public Counsel shall make a representative available to address substantive issues during the question-and-answer sessions.
