OF THE STATE OF MISSOURI**

In the Matter of Evergy Missouri West, Inc.)
d/b/a Evergy Missouri West's Request for)
Authority to Implement a General Rate)
Increase for Electric Service) **File No. ER-2022-0130**

REQUEST

On February 7, 2022, the City of St. Joseph, Missouri was granted intervention in this case. The City was surprised to receive the Commission's *Order Setting Procedural Schedule, Denying Consolidation, and Granting a Variance* of March 16, 2022, representing that all parties had been consulted and had agreed to a proposed procedural schedule. The City of St. Joseph was never consulted on the matter and is not shown in the list of parties in footnote 1 of the Commission's order.

St. Joseph has no objection to the schedule of proceedings set by the Commission. However, St. Joseph does request that it be assigned exhibit numbers in the case, added to the list set out in Paragraph 10 of the Commission's order of March 16, 2022.

Respectfully submitted,

/s/ William D. Steinmeier
