**ST. JOSEPH'S REPLY TO MAWC RESPONSE
REGARDING CUSTOMER NOTICES**

COMES NOW the City of St. Joseph, Missouri (hereinafter referred to as "St. Joseph"), by and through counsel, and respectfully replies to the *MAWC Response to St. Joseph's Objections and Suggestions Regarding Customer Notices* filed in this matter on February 5, 2010, as follows.

St. Joseph can accept the proposal of MAWC in its February 5 *Response*. Under that proposal, the customer notice in this case would include: (1) the overall increase in revenue proposed by MAWC in this case; (2) the overall rate increase percentage for the applicable District (for example, 26.19% for the St. Joseph District); and (3) information as to what the increase would be for the average residential customer in the applicable District.

St. Joseph also continues to suggest that the title of the customer notice be, "Notice of Proposed Rate Increase and Public Hearings." Per its *Response* of February 5, 2010, MAWC has no objection to this suggested change.

Respectfully submitted,

/s/ William D. Steinmeier
