County Electric Cooperative to Union	)

**RESPONSE TO STAFF DATA REQUEST
AND REQUEST FOR SUMMARY DISPOSITION OF APPLICATION**

COMES NOW Tri-County Electric Cooperative Association, (TCEC) by and through its undersigned counsel, and for its response to Staff Data Requests 001 and 002 provides the attached documents.

Further responding to Staff's Data Requests, having provided information about the location where Applicant receives the benefit of electricity, Tri-County Electric Cooperative affirmatively refutes the Staff data request characterization of this location as the place of "provision of service to Nancy Price".

The Cooperative's member of record served at this location is Donald Price. The member/customer relationship is created in RSMo. Chapter 394, Rural Electric Cooperatives. A membership is singular and personal unless the member designates the account as a joint membership that includes a spouse (394.020.(1)). On the face of the Cooperative's records, Mr. Price's membership is not a joint membership. Monthly bills go to him in his name alone. The Cooperative has no reason to know his relationship to Applicant Nancy Price, if any. It would have no grounds to sue her to collect a delinquent bill.

Membership in a Chapter 394 Electric Cooperative entails more than a customer relationship. There are valuable ownership rights associated with the membership that are not

found in a Chapter 393 electric corporation. Specifically, the member has the right to vote in the election of directors, the right to serve as a director if not disqualified, the right to participate in the annual allocation of margins (revenue minus expenses), and the right to receive a cash distribution of the allocated margins as and when they are retired by Board action.

The Staff errs in its failure to apply the law of Chapter 394 to this application. It thereby loosely entertains the extinguishment of rights that are vested in Mr. Donald Price at the request of a person who is a stranger to the membership relationship.

Upon Staff verification of Applicant's lack of ownership of this account, Tri-County Electric Cooperative requests that the Staff recommend that the application of Nancy Price be summarily dismissed.

Respectfully submitted,
