RE: Case No. GR-2004-0209 Missouri Gas Energy

Dear Mr. Roberts:

Enclosed for filing with the Missouri Public Service Commission ("Commission") on behalf of Missouri Gas Energy ("MGE" or "Company"), a division of Southern Union Company ("Southern Union"), please find in electronic format revised tariff sheets. These tariff sheets are being filed to comply with the Commission's Report and Order in Case No. GR-2004-0209, and are designed to produce an increase in annual revenues of \$22,370,000, excluding gross receipts taxes, franchise fees or other similar fees or taxes.

In relation to the Request for Clarification filed herein by the Staff on or about September 22, 2004, it should be noted that the rate levels applicable to the Large General Service class and to the Large Volume Service class have been calculated in accordance with the understanding set forth in footnote 19 on page 79 of MGE's initial brief.

Each of the revised sheets listed below bears an issue date of September 24, 2004 and a proposed effective date of October 24, 2004, as provided by Commission rule (4 CSR 240-3.260). MGE requests expedited treatment of these tariff sheets, the good cause shown being that they have been filed in compliance with the Commission's Report and Order, so that these tariff sheets can be approved for service rendered on and after October 2, 2004. MGE expects that these tariff sheets will take effect on October 2, 2004, the effective date of the Commission's Report and Order. The enclosed tariff sheets are as follows:
