ORDER MODIFYING PROCEDURAL SCHEDULE

Issue Date: June 3, 2010

Effective Date: June 3, 2010

On May 13, 2010, the parties requested certain revisions to the briefing schedule. The Commission granted that request with certain modifications, but inadvertently missed an adjustment the parties had requested for the timing of the True-Up briefing. On June 2, the Commission made additional adjustments to accommodate another day of hearing, but it has become apparent that other adjustments are required to keep this matter on track with its operation of law date and to accommodate the parties. Consequently, the Commission will modify the briefing schedule again.

THE COMMISSION ORDERS THAT:

1. The following modifications to the procedural schedule are established:

True-Up Briefs (all parties) (Addressing all remaining issues other than availability fees, including replies to previously briefed issue on executive management fees) - **June 24, 2010**

Proposed Findings of Fact and Conclusions of Law (all parties) (For all issues other than availability fees) - **June 24, 2010**

Briefs Part 2 (all parties) (addressing only availability fees) - **July 16, 2010**

**Proposed Findings of Fact and
Conclusions of Law (all parties)
(For availability fees issue)**

- July 16, 2010

2. There will be no reply briefs on the issue of availability fees.
3. This order shall become effective immediately upon issuance.
