Issue Date: January 20, 2015

Effective Date: January 20, 2015

On January 7, 2015, the Commission issued an order approving the stipulation and agreement filed by the parties. In that order, the Commission directed Central Rivers Wastewater Utility, Inc. The Commission will set a deadline for objections to Central Rivers' compliance tariff and the request for expedited treatment.

**THE COMMISSION ORDERS THAT:**

1. Objections to Central Rivers' tariff sheet (Tracking No. YS-2015-0246) or the request for expedited treatment, shall be filed no later than January 29, 2015.

2. This order shall be effective when issued.
