Case No. WO-2007-0410

STATUS REPORT

COMES NOW the Staff of the Missouri Public Service Commission, by and through counsel, as directed by the Commission's *Order Directing Staff to File Monthly Status Reports*, and submits the following report:

This report covers the period of March 1, 2008 to March 31, 2008 and serves as the "monthly status report" for that period. Staff will continue to file these reports on or around the last working day of each month unless directed to do otherwise.

As reported last month, the homeowners association has obtained a commitment for liability insurance for board members. The five persons who comprise the utility board for the association have reviewed some proposed bylaws for the provision of water and sewer service by the association, put a draft together, and are keeping some options open with respect to the proposed bylaws for consideration of the general membership. The board intends to present the draft to the general membership of the homeowners association at a meeting to be held over the Memorial Day weekend. As previously noted, the Staff remains willing to assist the association with respect to developing and finalizing utility bylaws and the ultimate transfer of assets.

WHEREFORE, Staff submits this Status Report for the Commission's information.

Respectfully Submitted,

/s/ **Keith R. Krueger**
