**In the Matter of the Transfer of Assets of     )  
Swiss Villa Utilities, Inc. to the Black Oak     )  
Mountain Resort Property Owners             )  
Association.   )**

**Case No. WO-2007-0410**

**STATUS REPORT**

**COMES NOW** the Staff of the Missouri Public Service Commission, by and through counsel, as directed by the Commission's *Order Directing Staff to File Monthly Status Reports*, and submits the following report:

This report covers the period of May 1, 2008 to May 31, 2008 and serves as the "monthly status report" for that period. The Staff will continue to file these reports on or around the last working day of each month, unless directed to do otherwise.

The persons who expect to comprise a utility board have been working on draft bylaws, including working during a meeting at the subdivision over the Memorial Day weekend. After these persons had met, the Black Oak Mountain Resort Property Owners Association (Association) held its meeting, during which the Association discussed the utility plan. The Association plans to create a separate utility entity, which will operate under authority of the Association and of connected utility customers. The Association expects that its independent counsel will review the bylaws and the utility corporation papers within the next several weeks. Then, the papers needed to create the separate utility entity will be filed with the Missouri Secretary of State, after which time the Staff expects to be in a position to submit a recommendation to the Commission for disposition of this case. The Staff will continue to work with the Association and the utility board on this matter as necessary.

**WHEREFORE**, Staff submits this Status Report for the Commission's information.

Respectfully Submitted,

/s/ **Keith R. Krueger**
