**ADDENDUM TO STAFF RECOMMENDATION**

COMES NOW the Staff of the Missouri Public Service Commission and for its addendum to its recommendation states as follows:

1. On January 21, 2011, the Staff filed its recommendation in this matter, listing the “standard” waivers and recommending that they be granted.
2. In addition to the standard waivers, the Company requested a waiver of 4 CSR 240-32.050(4)(B), concerning the provision of telephone directories.
3. The Staff recommends that the Company be granted a limited waiver of that rule as follows:

As a competitive local exchange carrier operating in the St. Louis and Kansas City metropolitan areas, the Company is given a partial exemption from 4 CSR-32.050(4)(B), in that, when AT&T does not automatically deliver a directory to the Company’s subscribers, the Company may discharge its obligation to distribute such directories by instructing its end-user customers to (a) contact the Company for a copy of the directory (who will in turn forward the request to AT&T); or (b) contact AT&T directly for a copy of the directory.

WHEREFORE, the Staff recommends that the Commission grant US Signal Company, L.L.C.’s request for limited waiver of 4 CSR 240-32.050(4)(B).

Respectfully submitted,
