Issue Date: October 14, 2010

Effective Date: October 14, 2010

The Commission is closing File Number SR-2010-0023 and transferring certain filings to new workshop proceedings. All disputed issues in SR-2010-0023 were decided when the Commission issued its order approving the disposition agreement filed in that matter.¹ By separate order, the Commission directed the parties to SR-2010-0023 to brief the legal and social policy issues surrounding District-Specific Pricing and Single Tariff Pricing.² That order was an exercise of the Commission's investigatory authority under Chapters 386 and 393, RSMo.³ The Commission allowed

SR-2010-0023 to be used as the repository for those briefs, but to eliminate any possible confusion the Commission will now establish new working dockets. The Commission will also consolidate SW-2011-0103 and WW-2011-0104 and designate SW-2011-0103 as the lead case.

All future filings in this investigation shall be submitted in SW-2011-0103 unless otherwise directed by the Commission. The Commission will direct its Data Center to move the relevant briefs in the Commission's Electronic Filing and Information System to the new files and direct notice. By separate order, the Commission will set an On-the-Record Proceeding.

THE COMMISSION ORDERS THAT:

1. File Numbers SW-2011-0103 and WW-2011-0104 are consolidated with SW-2011-0103 designated as the lead case.
2. The Commission's Data Center will issue notice of these proceedings and send a copy of this order to all regulated water and sewer companies.
3. The Commission's Data Center shall serve a copy of this order upon the county commission of each county within the service areas of Aqua Missouri, Inc., Aqua Development Company, d/b/a Aqua Missouri, Inc. and Aqua RU, Inc. d/b/a Aqua Missouri.

7. File Number SR-2010-0023 is closed.

8. This order shall become effective immediately upon issuance.
