**ORDER GRANTING MOTION TO EXTEND FILING DEADLINE**

Issue Date: June 30, 2009

Effective Date: June 30, 2009

The Commission established a June 30, 2009 filing deadline for the Staff of the Commission's recommendation regarding this application. On June 30, Staff requested an extension of time, advising that, to date, Entelegent Solutions, Inc., has not provided all the necessary information to complete its application. In particular, certain financial information has not been provided. Absent this information, Staff cannot recommend the granting of the certificates and designations requested. Entelegent has indicated that it will provide the information. Staff therefore asks for an extension of its filing deadline to July 30, 2009, to allow time for Entelegent to file the information and for Staff to evaluate it.

The Commission finds Staff's motion reasonable and will grant the requested extension.

**THE COMMISSION ORDERS THAT:**

1. Staff's Motion to Extend Filing Deadline is granted.
2. No later than July 30, 2009, Staff shall file either its recommendation concerning Entelegent Solutions, Inc.'s application or a status report advising when it believes it will be able to file its recommendation.

3. This order shall become effective upon issuance.
