In support of its Application, Applicant respectfully states as follows:

1. River Cement Company is a Delaware corporation, authorized to do business in the state of Missouri. River Cement's Missouri business address is 1000 River Cement Road, Festus, Missouri 63028;
2. River Cement is a large industrial customer of Union Electric Company (d/b/a Ameren Missouri and hereinafter "Ameren Missouri") and, as such, River Cement

has purchased substantial amounts of electricity from Ameren Missouri over a period of many years.

3. The matters to be considered in this case and the Public Service Commission's ("Commission") determination thereon, could have a direct and significant impact on Applicant's cost of energy service.

4. As a large-use customer of Ameren Missouri, River Cement has a direct and immediate interest in this proceeding that is different from that of the general public. Granting this proposed intervention to Applicant would serve the public interest and would assist the Commission in development of a more complete record.

5. Applicant takes no position on Noranda's Excess Earnings Complaint at this time, but reserves the right to take a position on the issues as the case develops.

6. Correspondence and communications regarding this Application, including service of all notices and orders of this Commission should be addressed to:
