

STATE OF MISSOURI
PUBLIC SERVICE COMMISSION

At a Session of the Public Service
Commission held at its office
in Jefferson City on the 30th
day of October, 1990.

In the matter of the request for community optional)
service from Southwestern Bell Telephone Company's)
Marionville exchange to Southwestern Bell Telephone) Case No. TO-90-313
Company's Springfield exchange.)

ORDER OF DISMISSAL

The Commission has received a petition signed by residents of the Marionville exchange requesting extra-exchange calling at less than toll rates from the Marionville exchange served by Southwestern Bell Telephone Company to the Springfield exchange served by Southwestern Bell Telephone Company.

By order issued June 1, 1990, the Commission directed Southwestern Bell Telephone Company to perform a calling usage study covering one billing cycle in order to ascertain whether a sufficient community of interest exists between these exchanges to justify providing them with community optional service (COS).

On September 25, 1990, Southwestern Bell Telephone Company filed the results of the calling usage study performed in said exchanges. The results of said study indicate that a community of interest does not exist between these exchanges.

In its Report and Order issued in Case No. TO-87-131, the Commission found that a community of interest would be demonstrated if a calling usage study showed that six calls per access line per month are made on the average from the petitioning exchange to the requested exchange and two-thirds of the customers in the petitioning exchange make two or more calls per month to the requested exchange. *In re the investigation of experimental extended measured service (EMS), Case No. TO-87-131 (December 29, 1989, clarified January 23, 1990).*

The results of the calling usage study performed herein are as follows:

<u>Originating</u> <u>Exchange</u>	<u>Terminating</u> <u>Exchange</u>	<u>Average</u> <u>Calls Per</u> <u>Access Line</u>	<u>Percent</u> <u>Making</u> <u>2+ Calls</u>
Marionville	Springfield	6.76	56.43%

Therefore, the Commission's criteria have not been met.

In view of the foregoing, the Commission determines that the above-referenced case should be dismissed.

IT IS THEREFORE ORDERED:

1. That the above-referenced case is dismissed hereby.
2. That this order shall become effective on November 9, 1990.
