SECOND REQUEST FOR EXTENSION

COME NOW Lake Region Water & Sewer Company (hereinafter “Applicant” or “Company”), pursuant to 4 CSR 240-3.640(7), Section 393.170, RSMo 2000 and 4 CSR 240-2.060(4)(A), and for its second request for extension states the following to the Missouri Public Service Commission (“Commission”):

1. On or about March 20, 2012, Applicant filed its Application seeking an extension of time within which to file its 2011 annual report(s) for its water and sewer operations.

2. By Order dated April 3, 2012, the Commission granted Applicant's request and directed that Applicant's annual report(s) be filed no later than July 31, 2012.

3. Applicant's auditors have experienced unanticipated delays in their review of essential data and need additional time within which to complete the audit.

4. Applicant desires an extension of time up to and including August 15, 2012 within which to file its annual report(s). Although the auditors are diligently at work in compiling the necessary information by which to complete the report(s), they are not expected to complete their work in time for the Company to meet the July 31, 2012 deadline.

5. This request is not for purposes of delay. If granted it will not prejudice any other party but will allow the Company to accurately compile the needed documentation and information for its annual report(s) to the Commission.

6. Applicant submits there are no cases pending where the Company’s activities are

the primary focus of the proceedings. Therefore, Applicant is not obligated to serve this pleading on parties not named in the certificate below. However, a copy of this pleading has been served on the parties of record in Case No. SO-2011-0046.

WHEREFORE, Lake Region Water & Sewer Company respectfully requests that the Commission extend the time within which it may file its annual report(s) to August 15, 2012.

Respectfully submitted
