STAFF RECOMMENDATION

COMES NOW the Staff of the Missouri Public Service Commission (Staff) and for its recommendation states:

1. In the attached Memorandum, which is labeled Appendix A, the Staff recommends that the Missouri Public Service Commission approve the tariff sheets filed by the Applicant in response to the Commission's Order Granting Certificate of Public Convenience and Necessity--PSC MO No. 1 Original Sheets Nos. 1 through 33, bearing an effective date of September 6, 2000. The Staff has reviewed the tariff sheets and finds that they contain the rates and customer classes set out in the agreement between the Applicant and the Staff of the Commission as ordered by the Commission in Commission's Order Granting Certificate of Public Convenience and Necessity issued July 13, 2000 and made effective July 25, 2000.

WHEREFORE, the Staff recommends the Commission enter an Order Approving Tariff approving PSC MO No. 1 Original Sheets Nos. 1 through 33 to become effective September 6, 2000.

Respectfully submitted,

SUBJECT: Staff's Recommendation for Approval of Tariff Sheets in Compliance with Commission Order

DATE: August 30, 2000

On August 7, 2000, North Oak Sewer District, Inc. (North Oak) submitted a complete new tariff to comply with the Commission's ORDER APPROVING APPLICATION (Order) issued on July 13, 2000 and effective July 25, 2000. The tariff sheets bear an effective date of September 6, 2000.

After its review, the Staff discussed with North Oak some proposed modifications to its proposed tariff. As a result of those discussions, North Oak submitted some substitute sheets on August 29, 2000 to incorporate the modifications.

I have reviewed this tariff filing. North Oak's proposed tariff is based on the Staff's example tariff for sewer utilities. It also incorporates the rates, charges, and service area boundary that were approved by the Commission. In my opinion the tariff is reasonable and complies with the Commission's Order.

Based on the above, the Staff recommends that the Commission issue an order approving the subject tariff, which is identified as set out below, for service rendered on and after September 6, 2000:
