## ORDER AMENDING PROCEDURAL SCHEDULE REGARDING EXHIBITS

Issue Date: October 15, 2014

Effective Date: October 15, 2014

On June 18, 2014, the Commission issued a procedural schedule in this matter, which included requirements for hearing exhibits in paragraphs 3L and 3M. The Commission is amending those provisions in order to establish certain procedures to avoid using valuable hearing time for resolution of ministerial matters and other issues that could be raised and resolved without consuming hearing time.

### THE COMMISSION ORDERS THAT:

1. Paragraphs 3L and 3M of the *Order Setting Procedural Schedule and Other Procedural Requirements*, issued on June 18, 2014, are amended as described below. All other provisions of the procedural schedule remain in effect.

2. Exhibit numbers are assigned in the following manner:

If any party requires additional exhibit numbers, it may add a 1 to the beginning of its assigned numbers. For example, if Grain Belt Express has exhibits in addition to exhibit number 199, its next exhibit numbers would be 1100, 1101, 1102, etc.

3. Each party shall prepare a list of its prefiled, pre-marked exhibits and submit a copy of that list to every other party and to the regulatory law judge no later than November 6, 2014. The lists shall not be filed in the EFIS case file. Exhibits that may be offered during cross-examination, but which have not been prefiled, need not be included on the list. However, when those documents are offered during the hearing, they will be assigned a number from that party's number group.

4. This order shall become effective when issued.
