Central Rivers Wastewater Utility, Inc.,))
Respondent)

STATUS REPORT

COMES NOW the Staff of the Missouri Public Service Commission ("Staff"), through the undersigned counsel, and hereby respectfully submits this *Status Report*:

- 1. On December 24, 2019, the Commission issued its *Order Directing Filing* ("Order"), in which the Commission ordered Staff, beginning March 1, 2020, to file a status report in this matter no less frequently than every two months.
- 2. On April 15, 2020, the Commission granted Elm Hills Utility Operating Company, Inc.'s ("Elm Hills") request to acquire all or substantially all of the assets Central Rivers Wastewater Utility, Inc. ("Central Rivers") used to provide retail sewer utility services, including its certificates of convenience and necessity ("CCN") in Case No. SM-2020-0146.
- 3. Staff would also like to note that Elm Hills has agreed to pay the delinquent FY2020 Commission assessment owed by Central Rivers. However, that payment has not yet been made.

4. Thus, Staff continues to recommend that the Commission issue a stay in this matter until the acquisition of Central Rivers by Elm Hills is complete.

WHEREFORE, Staff respectfully submits this fourth *Status Report*, and prays the Commission accept the same as satisfying the Commission's *Order*.

Respectfully submitted,
