SUPPLEMENT TO APPLICATION

Comes now Applicant Global Connection Inc. of America d/b/a Stand Up Wireless (“Applicant”), by its undersigned counsel, and, pursuant to 4 CSR 240-2.080(20), to supplement its Application for Commission designation as an Eligible Telecommunications Carrier (“ETC”), states the following:

1. On March 23, 2011, Applicant filed its Application for Designation As An Eligible Telecommunications Carrier On A Wireless Basis. Attached as Exhibit D to that Application is a sample Lifeline Application form.

2. In consultation with Staff of the Missouri Public Service Commission, Applicant has learned that Staff believes that Applicant should submit an application for low income discounts that more closely resembles the generic Missouri Application for Low Income or Disabled Discounts that is approved by the Missouri Universal Service Board. By this Supplement to its Application, Applicant informs the Commission that it has agreed to Staff’s suggestion and hereby submits a revised Lifeline application. See attached Exhibit A, “Application for Low Income or Disabled Discounts,” incorporated herein by reference.

Wherefore, the Applicant requests that the Commission consider this Supplement in its determination to grant ETC status to the Applicant.

Respectfully submitted,
