OF THE STATE OF MISSOURI**

In the Matter of Laclede Gas Company's PGA ) Case No. GR-2011-0055  
factors to be reviewed in its 2009-2010 ACA filing )

**STATUS REPORT**

**COMES NOW** Laclede Gas Company (Laclede) and for its Status Report states as follows:

1. On May 1, 2012, Laclede filed its first status report in this case relating to Laclede's litigation against MoGas Pipeline, LLC ("MoGas") to recover allegedly unlawful transportation costs. In that pleading, Laclede reported that oral argument on Laclede's Motion for Summary Judgment had been held on March 15, 2012 in the Circuit Court of St. Charles County, and that the parties were in the process of drafting proposed findings of fact and conclusions of law.

2. By order dated May 14, 2012, the Commission directed Laclede to file an updated status report by June 29, 2012.

3. For this report, Laclede confirms that proposed findings of fact and conclusions of law were submitted by the parties on May 9, 2012. The Court has not yet ruled on the Company's Motion for Summary Judgment, but Laclede believes that a ruling should be issued in the next several weeks. Laclede will promptly communicate with Staff following receipt of the Court's order.

4. Accordingly, Laclede requests that the Commission direct Laclede to file a subsequent status report on further developments in this litigation on or before August 31, 2012.

**WHEREFORE**, for the foregoing reasons, Laclede Gas Company respectfully requests that the Commission accept this Status Report and direct the Company to file another status report by August 31, 2012.

Respectfully submitted,
