RE: Notice of Discontinuance of Lockheed Martin Global Telecommunications Services, Inc.
Business Activity

Dear Sir or Madam:

On May 24, 2003, I wrote to confirm the announcement made by Lockheed Martin Corporation of the plan to exit its Global Telecommunications services business including discontinuing Lockheed Martin Global Telecommunications Services, Inc.'s activity as a common carrier.

Business operations were discontinued in 2002 and the carrier certificates surrendered thus completing the steps necessary to withdraw the corporate registration in all states upon the filing of any final corporate tax return.

Our understanding is that the attached is the final closure item necessary for your state.

Sincerely,

RECEIVED
