**Case No. TM-2006-0306**

**NOTICE REGARDING RECLASSIFICATION OF EXHIBIT TO JOINT**  
**APPLICATION**

Issue Date: March 24, 2006

On March 23, 2006, Cass County Telephone Company, Limited Partnership; LEC Long Distance, Inc. d/b/a CassTel Long Distance; FairPoint Communications, Inc.; FairPoint Communications Missouri, Inc. d/b/a FairPoint Communications; and ST Long Distance, Inc. d/b/a FairPoint Communications Long Distance filed a joint motion indicating that they wished to reclassify a portion of an exhibit that was attached to their joint application. That exhibit – the Asset Purchase Agreement, not including the exhibits and schedules included as part of that agreement – was filed as a proprietary exhibit. The joint

motion indicates that the Asset Purchase Agreement is no longer proprietary and asks that it be filed as nonproprietary exhibit 7.

Although the applicants have called their pleading a motion, it does not require any official action by the Commission. The applicants can reclassify a proprietary exhibit as nonproprietary without an order from the Commission. They have, in fact, already accomplished that reclassification by filing nonproprietary exhibit 7 along with their motion. The Commission's Data Center will be adding the new nonproprietary exhibit 7 as an additional attachment to the joint application within the EFIS filing system so that the new exhibit will be readily accessible to anyone wishing to view the joint application.
