PUBLIC SERVICE COMMISSION

SUBJECT: Staff's Recommendation for Approval of Tariffs

DATE: April 29, 1998

On April 27, 1998, Osage Water Company filed tariff sheets in compliance with the Order Granting Certificate of Convenience and Necessity (Order). The proposed effective date is May 31, 1998. In its Order, the Commission authorized additional water service area and additional sewer service area, and ordered appropriate modifications to the existing water tariffs and the sewer tariffs.

I have reviewed the tariff filings, and in my opinion they are correct and comply with the Commission's Order. I recommend the following water service tariff sheets be approved to become effective May 31, 1998:

P.S.C. Mo. No. 1 Original Sheet number 3H (map),
P.S.C. Mo. No. 1 3rd revised Sheet number 4B(written description).

I also recommend the following sewer service tariff sheets be approved to become effective May 31, 1998:

P.S.C. Mo. No. 1 1st revised Sheet number 4 (map),
P.S.C. Mo. No. 1 1st revised Sheet number 7 (written description).
