**ENTRY OF APPEARANCE AND MOTION FOR ADDITIONAL TIME**

COMES NOW Diana C. Carter of Brydon, Swearngen & England, P.C., and hereby enters her appearance on behalf of Terre Du Lac Utilities (“Terre Du Lac”) in the above-captioned proceeding. Please forward copies of all pleadings, correspondence, notices, and orders concerning this matter to the attention of the undersigned counsel. Additionally, Terre Du Lac requests additional time to file its Direct Testimony in this matter. In support of this request, Terre Du Lac respectfully states as follows to the Missouri Public Service Commission (“Commission”):

1. *An Order Scheduling Evidentiary Hearing and Setting Procedural Schedule* was issued herein on May 18, 2017. The undersigned counsel was contacted about possible representation after the issuance of this procedural order.
2. Following the issuance of the procedural order, Terre Du Lac continued to negotiate with the Staff of the Commission (“Staff”) and the Office of the Public Counsel (“OPC”) in an effort to resolve the case without Terre Du Lac incurring attorney fees.
3. Pursuant to the procedural order, Direct Testimony by all parties is due today. OPC filed its Direct Testimony, and Staff intends to file its Direct Testimony today as well. Terre Du Lac, however, requests an additional nine days to prepare and file its Direct Testimony (an extension until Friday, June 9). This brief extension will also allow the parties to continue settlement discussions.
4. In the event the deadline for the company’s Direct Testimony is extended by the

requested nine days, Terre Du Lac suggests that the deadlines for Rebuttal Testimony, the filing of the List of Issues, and Position Statements be extended as follows:

Direct Testimony – Company	June 9
Rebuttal Testimony – Company	June 21
Rebuttal Testimony – Staff and OPC	June 30
List of Issues, etc.	July 5
Position Statements	July 7

**WHEREFORE,** Terre Du Lac respectfully requests that the Commission enter an Order extending the deadline for the filing of the company’s Direct Testimony to June 9 and granting such further relief as the Commission deems appropriate.
