Respondent.)	

MOTION FOR EXTENSION OF TIME

COMES NOW the Staff of the Missouri Public Service Commission (“Staff”), by and through the undersigned counsel, and files this *Motion for Extension of Time* with the Missouri Public Service Commission (“Commission”), respectfully stating the following:

1. On January 30, 2013, Andrew Monroe (“Complainant”), with a residence and mailing address of 102 Bobs Lane, Troy, Missouri 63379, filed a complaint against Union Electric Company d/b/a Ameren Missouri (“Company” or “Ameren Missouri”). The Complainant alleges property damage due to a failure of an Ameren Missouri line near his home. The Complainant is a member of Cuivre River Electric Cooperative and not an Ameren Missouri customer.

2. Also on January 30, 2013, the Commission issued a *Notice of Contested Case and Orders for Small Formal Complaint* in which it ordered Ameren Missouri to file an Answer no later than March 1, 2013, and Staff to investigate the complaint and file a report detailing its findings and recommendations no later than March 20, 2013.

3. At this time, Staff requests an extension of time in which to file its report. Staff is presently still engaged in investigating this matter, needs further time for discovery, and will be able to file a report detailing its findings and recommendations by April 22, 2013.

4. Staff advises the Commission, and Ameren Missouri, that the Complainant has told Staff he is interested in pursuing mediation.

WHEREFORE, the Staff submits this *Motion for Extension of Time* requesting an extension from Wednesday, March 20, 2013, until Monday, April 22, 2013, to file its report.

Respectfully submitted,

/s/ Meghan E. Woolery
