

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of the Cancellation of the)
Eligible Telecommunications Provider)
Status of Blue Jay Wireless, LLC.)

File No. TD-2019- 0000

MOTION TO CANCEL ELIGIBLE TELECOMMUNICATIONS PROVIDER STATUS

COMES NOW the Staff of the Missouri Public Service Commission (Staff) and moves for the Missouri Public Service Commission (Commission) to cancel the eligible telecommunications carrier (ETC) status of Blue Jay Wireless, LLC, (Company) and states:

1. On May 15, 2013, the Commission granted the application of the Company for designation as an ETC in order to receive federal universal service support for Lifeline services.

2. Rule 4 CSR 240-31.120(2) outlines the carrier participation requirements ETCs must meet to qualify for the Lifeline and Disabled programs. Rule 4 CSR 240.31.130(2) outlines ETC requirements, which include the requirement to maintain a wireless informational filing or a publicly available website to display all rates concerning the company's voice services and the requirement of an ETC to maintain a current list of company-designated contacts within the Commission's Electronic Filing and Information System.

3. The Company filed its required 2017 Annual Lifeline Eligible Telecommunications Carrier Certification form (Form 555), which was due no later than January 1, 2018, on February 21, 2018. The Company has not yet filed its ETC Annual

Filing (Form 481), which is due annually no later than July 1, 2018.¹ Despite the fact that the Company updated its contact information in EFIS March 2018, all attempts to reach the Company have failed, the company's website is inoperable and Staff is unable to locate additional contact information. Additionally, there is a notification from a company known as StandUP Wireless available online which states that all Lifeline subscribers through Blue Jay Wireless will be customers of Global Connection Inc. of America d/b/a StandUP Wireless as of July 6, 2017. A copy of that notice has been included as Attachment A to this pleading.

4. Due to the Company's failure to comply with the applicable rules, Staff moves for the Commission to cancel the Company's ETC status pursuant to its failure to meet the filing requirements of 4 CSR 240-31.120(2) and ETC requirements of 4 CSR 240-31.130(2).

5. The Commission need not hold a hearing, if, after proper notice and opportunity to intervene, no party requests such a hearing. *State ex rel. Rex Deffenderfer Enterprises, Inc. v. Public Service Commission*, 776 S.W.2d 494 (Mo. App. W.D. 1989).

WHEREFORE, Staff respectfully recommends the Commission cancel the eligible telecommunications carrier status to provide Lifeline services of Blue Jay Wireless, LLC; and grant such other and further relief as is just in the circumstances.

¹ The standard deadline for this filing is July 1st; however, this year in Case No. TE-2018-0372, the Commission extended the deadline to July 16th to coincide with the FCC's extension for filing Form 481.

Respectfully submitted,

/s/ Whitney Payne
