ORDER DIRECTING EXPEDITED FILING

Issue Date: September 10, 2013

Effective Date: September 10, 2013

The Missouri Public Service Commission is ordering Union Electric Company d/b/a Ameren Missouri ("Ameren") to file a response to the letter of Craig Mershon, dated August 30, 2013 but received and filed on this date.

That letter suggests, but does not state, that Ameren has scheduled Mr. Mershon for disconnection. Therefore, the Commission will order Ameren to file an expedited response. The response shall set forth the current status of Mr. Mershon's account including compliance with any payment agreement, any disputed amounts, and any undisputed amounts.

The Commission will also order Mr. Mershon to address any further mailings to the Commission's Data Center because that will facilitate speedier processing of his pleadings.

THE COMMISSION ORDERS THAT:

1. Union Electric Company d/b/a Ameren Missouri ("Ameren") shall file the response as described in the body of this order no later than September 12, 2013.

2. Craig Mershon shall address any further mailing to the Data Center, 200 Madison Street, Jefferson City, Missouri 65102.

3. This order is effective immediately upon issuance.
