ORDER DIRECTING FILING

Issue Date: September 15, 2005

Effective Date: September 15, 2005

This order directs the Staff of the Commission to file a report updating the status of this case, and informing the Commission of how it believes this case should proceed.

On October 4, 2004, the Reiersons filed a Complaint. On September 1, 2005, the Staff of the Commission filed its Sixth Status Report. In that report, Staff stated that the Attorney General had sued Blue Lagoon. The report also stated that Respondent was due to file an engineering report to the Department of Natural Resources no later than August 4. Staff stated that review of that report was ongoing.

The Commission will order Staff to file a status report concerning the implementation of the circuit court order. Furthermore, because the Reiersons' complaint has been pending for nearly a year, the Commission will order Staff to suggest how the Commission should proceed with this case.

IT IS THEREFORE ORDERED:

1. That the Staff of the Commission shall file a Status Report no later than October 15, 2005.
2. That this order shall become effective on September 15, 2005.
