ORDER GRANTING CONTINUANCE OF HEARING AND DIRECTING
THE PARTIES TO PROPOSE A NEW HEARING DATE

Issue Date: February 14, 2007

Effective Date: February 14, 2007

On February 13, 2007, the Complainant, Jason Becker and Becker Development Company, filed a motion asking that the hearing scheduled for February 15 and 16 be continued. The motion explains that the Complainant's expert witness, Thomas P. Wells, has been subpoenaed to appear in Pike County, Missouri, on the days set aside for this hearing and as a result will not be available to testify before the Commission. The motion represents that counsel for Aqua Missouri, the Respondent, does not object to the requested continuance.

Given the unavailability of the Complainant's witness, the Commission will grant the requested continuance. The motion does not propose a date for the hearing to be rescheduled. Therefore, the Commission will order the parties to propose new hearing dates.

IT IS ORDERED THAT:

1. The hearing scheduled for February 15 and 16, 2007, is continued.
2. The parties shall, no later than February 20, 2007, file a proposed date for the rescheduling of the hearing.
3. This order shall become effective on February 14, 2007.
