Per my conversation with Andrew Schwantner at Big River, please do not assign LWC BANs at this time. I will contact you some time next week as to whether or not to proceed with this BAN request as well as any other status as necessary. Thanks!

I just received the request to have these BANs done today and I don't think the contact at Big River is going to get the BANs validated in time

so I am sending in their BAN request so that at least it can get into the system.

Can we duplicate the bill dates they are currently receiving.
