**SUPPLEMENT TO APPLICATION**

Startec Global Operating Company (“Startec” or “Applicant”), through undersigned counsel and pursuant to Sections 392.361, 392.410, 392.420, 392.430, and 392.440 RSMo. and 4 CSR 240-2.060 and 4 CSR 240-3.510, hereby submits this *Supplement to Application* with its proposed Adoption Notice in this case.

In its *Application of Startec Global Operating Company for a Certificate of Service Authority, for Competitive Classification, and for Approval of Tariff Adoption*, filed in this matter on March 29, 2007, Applicant stated (in Paragraph 14) its acknowledgment of 4 CSR 240-3.510(1)(C), which requires that a tariff must be filed with the Commission and approved before service can be provided. Startec therein stated its intent to adopt the current, effective tariffs of Startec Global Licensing Company (SGLC), and attached to the *Application* as Attachment C a copy of Startec’s proposed tariff sheet adopting SGLC’s current tariff.

Upon consultation with the Commission Staff, Startec has now submitted its Adoption Notice, bearing an effective date of May 16, 2007. That is the date upon which Startec has requested that the Commission’s orders approving merger (in Case No. TM-

2007-0367) and granting Startec's certificate of service authority to provide interexchange services in Missouri (in the instant case) be made effective. Startec's Adoption Notice, a copy of which is attached to this *Supplement to Application*, has been assigned Tariff Number YX-2007-0733 by the Commission's Electronic Filing and Information System (EFIS).

Startec's Motions for Expedited Treatment in the instant case, and in Case No. TM-2007-0367, were granted in a separate order in each case on April 9, 2007.

**WHEREFORE**, Startec Global Operating Company respectfully submits its *Supplement to Application*.

Respectfully submitted,
