**BEFORE THE PUBLIC SERVICE COMMISSION  
OF THE STATE OF MISSOURI**

In the matter of the Application of Union  
Electric Company (d/b/a AmerenUE) for an  
Order Authorizing It to Withdraw from the  
Midwest ISO to Participate in the Alliance RTO

Case No. EO-2001-684

**STATUS UPDATE AND MOTION FOR CONTINUED ABEYANCE**

**COMES NOW** Union Electric Company d/b/a AmerenUE ("Company" or "UE") and pursuant to 4 CSR 240-2.080 hereby submits a status update, and further requests that the Missouri Public Service Commission ("Commission") continue to hold this proceeding in abeyance until July 1, 2002, and in support thereof the Company states the following:

On April 25, 2002, FERC issued an ***Order On Petition For Declaratory Order*** ("April 25<sup>th</sup> Order") granting in part and denying in part, the Petition for Declaratory Order filed by the Alliance companies and National Grid. The April 25<sup>th</sup> Order also directed the Alliance companies and National Grid to file a compliance filing within 30 days of the date of the April 25<sup>th</sup> Order detailing which RTO petitioners plan to join and whether such participation will be collective or individual. (See 99 FERC paragraph 61,105) In response to the April 25<sup>th</sup> Order, on May 24, 2002, Ameren Services Company, as agent for Union Electric Company, d/b/a AmerenUE and Central Illinois Public Service Company, d/b/a AmerenCIPS (collectively "Ameren"), and the Midwest System Operator, Inc. ("MISO") entered into a memorandum of understanding ("MOU") that provides for Ameren's return to the MISO in accordance with the terms and conditions of the MOU. The MOU requires Ameren to apply for membership in the MISO within thirty days of execution of the MOU. Moreover, in compliance with the April 25<sup>th</sup> Order,

on May 28, 2002, Ameren made a filing at FERC advising FERC that Ameren will join the MISO.

As a result of these actions by Ameren, its application for approval to withdraw from the MISO in this proceeding has effectively become moot.

As such, the Company respectfully requests that the Commission continue to hold this proceeding in abeyance until July 1, 2002 in order to provide the Company with additional time to make the necessary filings.

Respectfully submitted,

UNION ELECTRIC COMPANY  
d/b/a AmerenUE
