Case No. \_\_\_\_\_

**Application of Starpower Communications, LLC For Cancellation of  
Interexchange Certificate of Service Authority and Cancellation of  
Interexchange Tariff**

COMES NOW Starpower Communications, LLC ("Starpower"), by and through undersigned counsel, and pursuant to Section 392.460 RSM, hereby files this Application for Cancellation of Interexchange Certificate of Service Authority and Interexchange Tariff. In support of this Application, Starpower states as follows:

1. Starpower is a competitive telecommunications carrier authorized to provide interexchange telecommunications services by the Commission in its Order Approving Interexchange Certificate of Service Authority and Order Approving Tariff issued November 23, 1998, in Case No. TA-99-136. Starpower's authority to transact business in Missouri from the Secretary of State's Office was filed with the Commission in Case No. TA-99-136, and that documentation is incorporated herein by reference pursuant to 4 CSR 240-2(1)(G). Starpower is a Delaware limited liability company with its principal place of business at 10000 Derekwood Lane, Lanham, Maryland 20706.

2. Starpower presently provides no service whatsoever in Missouri; it has no subscribers, users nor revenue.

3. Starpower is canceling its certificate and tariff because it has not provided, and is not currently providing, service in Missouri.

4. All inquiries, correspondence, communications, pleadings, notices, orders and decisions relating to the case should be addressed to:

5. Because Starpower is not providing service to any Missouri customers, cancellation of Starpower's certificate and tariff will not affect any Missouri customers nor the competitive landscape in Missouri. Thus, there will be no detriment to the public interest.

6. In accordance with 4 CSR 240-2.060(1)(K), Starpower states that there are no pending actions or final unsatisfied judgments or decisions against Starpower in any state, federal agency, or court which involve customer service or rates for which action, judgment, or decision has occurred within three (3) years of the date of this Application.

7. Pursuant to 4 CSR 240-2.060(1)(L), Starpower states that the Company is not aware that it has any overdue annual reports or fees owed to the Missouri Public Service Commission; however, if Starpower is advised during pendency of this proceeding that any such reports or fees are owed, Starpower agrees to submit appropriate reports or fees prior to issuance of the Commission's Order in this case.

WHEREFORE, Starpower respectfully requests that the Commission cancel its Interexchange Certificate of Service Authority and Interexchange Tariff.

Respectfully submitted,
