STATUS REPORT

COMES NOW Spire Missouri Inc. (“Spire” or “the Company”), and in response to the Commission’s September 21, 2020 Order hereby submits this Status Report, respectfully stating as follows:

1. On September 21, 2020 Spire filed a Status Report with the Missouri Public Service Commission stating that Spire and the Complainant, Mr. Claude Scott, would like additional time to reach a resolution of the underlying case. On that same date, the Commission issued an Order directing Spire to advise whether a resolution has been reached no later than October 21, 2020.
2. Spire has since engaged in discussions with the Complainant regarding a resolution of his Complaint. Unfortunately, Spire and Mr. Scott have been unable to reach an agreement as of this date.
3. Spire requests that the Commission set this case for evidentiary hearing. Spire and Staff are available on November 23 and December 4. These dates have been shared with the Complainant, but Spire has not received confirmation regarding the Complainant’s availability.

WHEREFORE, Spire Missouri requests that the Commission accept this Status Report and set this case for evidentiary hearing as requested herein.
