ORDER DIRECTING FILING

Issue Date: February 1, 2006

Effective Date: February 1, 2006

This order directs the Staff of the Commission to file a report updating the status of this case, and informing the Commission of how it believes this case should proceed.

On October 14, 2004, Mr. Hellebusch filed a Complaint. On October 13, 2005, the Staff of the Commission filed its Seventh Status Report, which stated that Commission action would be premature due to ongoing technical and administrative discussions among Respondents, the Missouri Department of Natural Resources, and the Attorney General.

The Commission will order Staff to file a status report concerning those discussions, and including suggestions of how the Commission should proceed with this case.

IT IS THEREFORE ORDERED:

1. That the Staff of the Commission shall file a Status Report no later than March 3, 2006.

2. That this order shall become effective on February 1, 2006.
