Case No. SA-2000-295

**STAFF RECOMMENDATION**

**COMES NOW** the Staff of the Missouri Public Service Commission (Staff) by and through one of its attorneys, and for its Recommendation states as follows:

1. On August 22, 2000, the Missouri Public Service Commission (Commission) issued an Order granting Lake Region Water & Sewer Company (LRWS) a Certificate for an additional sewer service area in Horseshoe Bend in Camden County, Missouri.
2. On August 28, 2000, LRWS filed sewer tariff sheets, Sheet No. 3B (service area map) and Sheet No. 5B (service area description). The purpose of this tariff filing was to update LRWS's tariff to be consistent with the addition of the newly approved service area mentioned above.

3. Staff has reviewed this additional tariff filing consisting of two sheets. In Staff's opinion, the tariff sheets accurately reflect the approved additional service area approved by the Commission in this case. Staff's review is summarized in a memorandum that is attached to this Recommendation, marked Appendix A, and incorporated by reference herein.

**WHEREFORE**, based upon the above, the Staff recommends the following:

A. That the Commission issue an Order approving the subject tariff, which is identified as set out below, for service rendered on and after September 27, 2000.

P.S.C. MO. No. 2  
Original Sheet No. 3B  
Original Sheet No. 5B

SUBJECT: Staff's Recommendation for Approval of Tariff Sheets Filed Pursuant to a  
Commission Order Approving Additional Service Area.

DATE: September 1, 2000

On August 22, 2000, the Commission issued an Order in this case granting Lake Region Water & Sewer Company (LRWS) a certificate for additional sewer service area on Horseshoe Bend in Camden County, Missouri. On August 28, 2000, LRWS filed sewer tariff sheets, Sheet No. 3B (service area map) and Sheet No. 5B (service area description), to update its tariff consistent with the addition of the newly approved service area.

I have reviewed the above-referenced tariff sheets and have determined that they are accurate and consistent with the additional service area approved by the Commission in this case. As a result, I recommend that the Commission approve the following two tariff sheets to become effective for sewer service rendered on and after September 27, 2000:

- P.S.C. MO. No. 2
- Original Sheet No. 3B
- Original Sheet No. 5B
