ORDER DIRECTING FILING

Issue Date: November 29, 2006

Effective Date: November 29, 2006

FullTel, Inc. filed a complaint with the Missouri Public Service Commission against CenturyTel of Missouri, LLC, alleging that CenturyTel was not honoring an interconnection agreement between them. On June 15, 2006, the Missouri Public Service Commission issued a Report and Order directing that CenturyTel honor the interconnection agreement and that FullTel notify the Commission of CenturyTel's compliance. Briefly, the circumstances of the case resulted in FullTel not having any customers at the time the Report and Order was issued. The Commission is aware that FullTel, at this time, may still have no customers in CenturyTel's service area.

On August 21, 2006, the Commission issued an order denying a motion for clarification filed by CenturyTel. There has since been no activity in this matter. The Commission will therefore require FullTel to file a pleading informing the Commission of the status of this matter and whether this case might be closed.

IT IS ORDER THAT:

1. FullTel, Inc., shall file no later than December 20, 2006, a pleading informing the Commission of the status of this matter and whether the case might be closed.
2. This order shall become effective on November 29, 2006.
