STAFF'S STATUS REPORT

COMES NOW Staff of the Missouri Public Service Commission, by and through the undersigned counsel, and files this status report with the Missouri Public Service Commission. In support hereof, Staff states as follows:

1. On March 11, 2014,¹ the Complainant filed a *Formal Complaint* with the Commission that alleged Kansas City Power & Light Company ("KCPL") would not establish service in the Complainant's name until certain amounts were paid to KCPL for past services rendered.

2. On March 13, the Commission issued an Order directing Staff to investigate the *Formal Complaint* and file a report no later than April 28.

3. While Staff has completed its investigation, Staff understands that the Complainant and KCPL have potentially resolved this matter and this case may not require further action by the Commission. As such, Staff requests the Commission extend the date for Staff to file the report of its investigation from April 28 until May 23,

¹ All dates herein refer to calendar year 2014, unless otherwise specified.

to allow the parties additional time to finalize any agreement and notify the Commission of such.

WHEREFORE, Staff respectfully submits this status report for the Commission's information and consideration. Staff further requests that the Commission accept this status report in lieu of a report of its investigation and extend the date for Staff's filing of such from April 28, 2014, until May 23, 2014.

Respectfully submitted,

/s/ Jennifer Hernandez
