**STATUS REPORT**

**COMES NOW** Laclede Gas Company ("Laclede") and files this Status Report, respectfully stating as follows:

1. On May 29, 2009, the Commission issued an order directing Laclede to file by June 19, 2009 a status report or procedural schedule, and to advise the Commission whether it intends to further extend the effective date of the tariff in this case.
2. Laclede reports that it has resolved nearly all of its issues with Staff, pending final language confirmation and responses to data requests. However, it does not appear that Public Counsel is in agreement on the essential terms of a liability tariff at this point.
3. Laclede believes that the time is ripe to set a time for the filing of a procedural schedule, and Laclede requests that the Commission set June 29, 2009 as the date for a procedural schedule to be filed.
4. Laclede intends to file a notice next week further extending the tariff's effective date.

**WHEREFORE**, Laclede Gas Company respectfully requests that the Commission accept this Status Report, and set June 29, 2009 as the date by which the parties shall file a procedural schedule in this case.

Respectfully submitted,
