

**STATE OF MISSOURI
PUBLIC SERVICE COMMISSION**

At a session of the Public Service
Commission held at its office in
Jefferson City on the 13th day
of June, 2006.

In the Matter of the Request of Southwestern Bell)
Telephone, L.P., d/b/a AT&T Missouri, for a Waiver)
of Certain Requirements of 4 CSR 240-29.040(4))

Case No. TE-2006-0053

ORDER DENYING REHEARING OF ORDER CLARIFYING RULE

Issue Date: June 13, 2006

Effective Date: June 23, 2006

On May 23, 2006, the Missouri Public Service Commission issued its Order Clarifying Rule finding that the Commission's Enhanced Records Exchange ("ERE") rule, CSR 240-29.040(4), does not require that the calling party number ("CPN") be included in the Category 11 billing records for wireless calls provided to terminating carriers for traffic that transits the LEC-to-LEC network. On May 26, and June 1, 2006, the Missouri Independent Telephone Company Group (MITG) and the Small Telephone Company Group (STCG), respectively, filed Applications for Rehearing of the Commission's May 23, 2006 Order Clarifying Rule. On June 5, 2006, AT&T Missouri filed Suggestions in Opposition to Applications for Rehearing.

Section 386.500.1, RSMo (2000), provides that the Commission shall grant an application for rehearing if "in its judgment sufficient reason therefore be made to appear." The Commission finds that MITG and STCG have failed to establish sufficient reason to grant their applications. The Commission will deny them.

IT IS ORDERED THAT:

1. The Missouri Independent Telephone Group's Motion for Rehearing of May 23, 2006 Order Clarifying Rule is denied.
2. The Small Telephone Company Group's Application for Rehearing is denied.
3. This order shall become effective on June 23, 2006.

BY THE COMMISSION

Colleen M. Dale
Secretary
