Re: Application To Intervene and Participate
In Case No. WA-2006-0480 & SA-2006-0482

Dear Judge Dale,

My name is Stan Temares. Please accept this letter as an application allowing me to intervene and be an active participant in the above named cases. I have been a property owner for five years on Big Island, located on the Little Niangua arm of the Lake of the Ozark, and one of the nine complainants in Case No. WC-2006-0082 et al. which is currently pending before the Public Service Commission.

Thus, I do have a vested interest in and oppose these applications, which have been filed by the Big Island Water & Sewer Company seeking Commission authority to provide water and sewer service to an unincorporated portion of Camden County also known as Big Island.

I would like to refer the Commission to the application:

Page 5, paragraph 12

The statement in the application made by the applicant that it has no pending or final unsatisfied judgements or decisions against it.

I am aware of a settlement agreement between the applicants, DNR and Missouri Attorney General Offices to the best of my knowledge that has not been satisfied.

I have absolutely no confidence that the applicant will ever obey state and regulatory laws and governing authorities.

Please bring this application to intervene and participate in Case No. WA-2006-0480 & SA-2006-0482 to the attention of the appropriate Commission personnel.

Please contact me if you have any questions regarding this application to intervene.

Thank you.

Respectfully submitted,

Stan Temares
