Q.	Are you the same William W. Dunkel that previously filed Direct Testimony in this		
	proceeding on behalf of Office of the Public Counsel of the State of Missouri (OPC)?		
A.	Yes.		
Q.	What is the purpose of this Rebuttal testimony?		
A.	The purpose of this Rebuttal testimony is to respond to the testimonies filed by other		
	parties in this proceeding on or about February 22, 2008. I will primarily be responding		
	to the Direct Testimony of Staff witness Mark L. Oligschlaeger.		
Q.	What does the Staff recommend pertaining to depreciation rates?		
A.	The Staff recommends no change in depreciation rates at this time. On page 14 of his		
	Direct testimony Mark L. Oligschlaeger recommends:		
	"Another significant difference is due to depreciation expense. The Company is seeking new authorized depreciation rates in this case that would increase its total depreciation expense by approximately \$1.4 million. In contrast, the Staff recommends that the Commission not change Empire's depreciation rates at this time." (Emphasis added)		
Q.	Do you object to the Staff recommendation "that the Commission not change		
	Empire's depreciation rates at this time?"		
A.	No. I do not object to this Staff recommendation. As discussed in my Direct testimony,		
	there are significant problems in the new depreciation rates proposed by Empire. The		
	Staff recommendation that the Commission not change Empire's depreciation rates		
	eliminates the problems with the Empire proposed depreciation rates.		
Q.	Does this conclude your Rebuttal Testimony?		
A.	Yes.
