Something Big is here!!!

Missouricom is now Rally Networks. Missouricom is growing and we feel Rally Networks better highlights the standards of our company. Lets Rally around rural communities, reliable internet, local support, and fast speeds. As Rally Networks rolls out, join us in a coat drive to keep our kids warm. See our insert for details.

ARK-O/SGO Broadband is now...

ATTACHMENT C

As you know, ARK-O and SGO Broadband were acquired a year ago.

We feel the name does not encompass our company's views.

Rally stands for local, fast, and reliable broadband services. We're experts at what we do.

From installation to questions about your bill, we offer great customer experiences delivered by people you can count on to be there for you.
