Enclosed you will find executed pages of the Local Wholesale Complete Agreement that Big River Telephone Company executed with AT&T.

I just wanted to bring to your attention that our entering this Agreement is intended to cover any small number of accounts that will not be able to be serviced pursuant to our Interconnection Agreement, specifically with the commingling of Section 251 and 271 unbundled network elements. We are currently working with AT&T personnel, specifically Debbie Josephson, with regards to migrating our base of UNE-P customers to similar arrangements outlined in Attachment 6 to our current Interconnection Agreement. We, in no way, intend for our base of customers to be migrated to Local Wholesale Complete, only those residual customers that, as indicated above, cannot be serviced via 251 and 271 elements.

If you have any questions, you can contact me at (314) 225-2203 or Andrew Schwantner, Manager-Contract Compliance at (314) 225-2205.

Sincerely,

Gerard J. Howe
